ISO Price List 2024

2023-11-01

## **ISO PRICE LIST FOR 2024**

Dear members,

I would like to inform you that the price list of ISO Publications will be increased by 4% on 3 January 2024 (see the ISO Price List attached).

The price increase was considered in the ISO/CS budget for 2024, which was approved by the ISO Council at its June 2023 meeting. This increase is the result of continuous market developments and serves to maintain the value of the ISO Standards. This increase is also intended to support ISO and its members in fulfilling their responsibilities as defined in ISO Strategy 2030.

I would like to remind you that members can define their own prices for the sale of ISO Publications, but royalties need to be paid using the ISO Price List in accordance with ISO POCOSA 2017.

In addition, ISO members are fully responsible for the activities of their Third-Party Distributors (TPDs) and Standards Developing Organizations (SDOs), and must ensure that they fully respect the obligations in ISO POCOSA 2017. It is therefore recommended that you also inform them on the ISO Price List for 2024.

Please do not hesitate to contact the ISO Central Secretariat, at [verdoia@iso.org](mailto:verdoia@iso.org), should you need more information on pricing, royalties or on ISO POCOSA 2017.
